Conference Scholarship Application

Thank you for your interest in participating in our 2009 Conference, *Toward a Global Shift: Seeding the Field of Collective Change*. We are offering 20 scholarships for young adults for entrance to the conference. This opportunity is available for students and young adults who have graduated from high school, and are under the age of 30. There is no specific youth program planned. All youth scholarship recipients will attend the main sessions of the conference. However, there will be some times to gather together with your young adult peers to meet, get to know each other, and discuss topics of interest.
